

ClearVision® Series Product for distribution

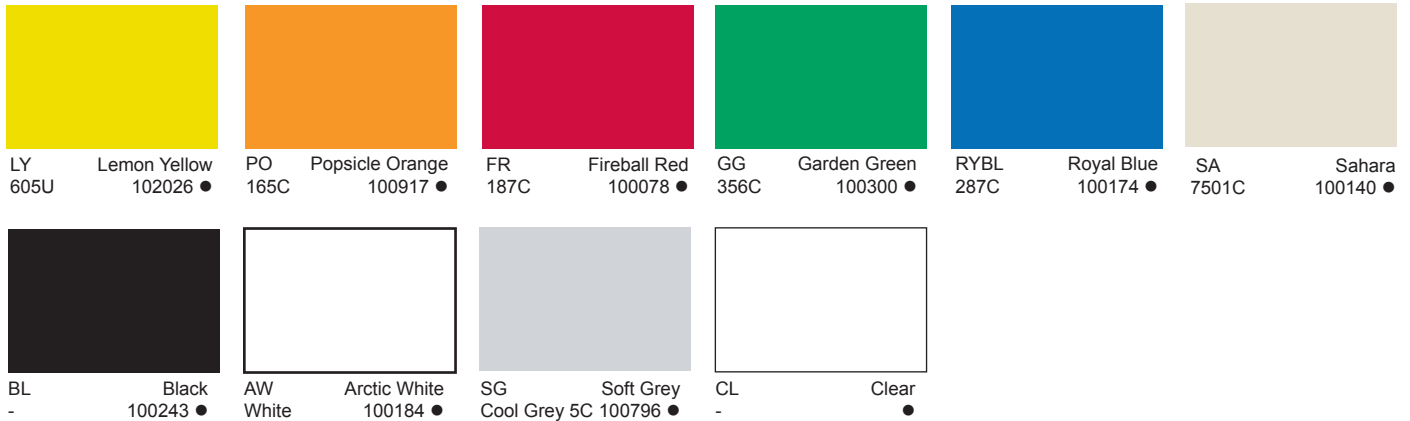

extrusion color chart

stock color tint availability

Tint colors shown below are stocked and available for our plastic extruded products such as **ClearVision®** ticket moldings and label holders. Tint color availability does not infer availability of **finished** ticket molding or label holder product in those colors however. Minimum runs may apply.

Non-stock colors are available but require a minimum order volume and additional lead time to produce. Please contact us for any custom color matching requirements. Charges for specific color matching may apply.

Stocked Standard Color Tints ●

Warning: Colors shown here may shift in color depending on the printer model and/or computer monitor. Pantone color numbers shown, bottom left of the color chip, are intended for use as a guide only, the actual plastic extrusion color will vary.

Contact us for a product sample to confirm colors prior to submitting an order if desired.

Note: the ClearVision® front ticket window is always clear regardless of the molding back's color.
