

ClearVision® Series 130T

double tag ticket molding

two windows in one application

The 130T Series can display multiple information at once
a. Provide more product/technical data clearly
b. Neatly display pricing information below

Double your information.

The **ClearVision® Series 130T** can present twice the information, like sale pricing with regular price, and/or additional product POP technical detail without cluttering the shelf edge.

Features

- Mounts to virtually any shelf top with either push pins or high quality adhesive tape
- Two windows of information - **2.125"H** and **1.25"H**

ClearVision® non-adhesive ticket molding advantages

- Clear window effectively displays, protects and holds 1.25"H price labels securely in position
- Replace expensive adhesive labels with plain paper
- Quick and easy label changes
- Manufactured with the highest available level of UV protection to minimize premature yellowing and aging of PVC plastics
