

ClearVision® Series 127T

for Hussmann® bullnose shelving clip-on ticket molding

The 127 Series | Hinged molding swings up for ease of access

Series 127 replaces standard Hussmann® OEM aluminum molding profile

Easy to install, versatile ticket molding.

The **ClearVision® Series 127** ticket molding is designed specifically to clip-on to Hussmann® bullnose shelving.

Features

- Innovative, patent pending design for standard Hussmann® OEM shelving
- Designed for both mid and low temp applications
- Hinged front enables easy product selection and shelf restocking
- Fits standard 1.25"H paper tickets

ClearVision® non-adhesive ticket molding advantages

- Keep labels aligned with SKUs
- Protect labels from moisture damage
- Replace expensive adhesive labels with plain paper
- Quick and easy label changes
- Manufactured with the highest available level of UV protection to minimize premature yellowing and aging of PVC plastics
