

ClearVision® Series 35MG

for Magna-Bar® applications

clip-on ticket molding

Cost effective clip-on solution.

The ClearVision® Series 35MG is specifically designed to fit industry standard Magna-Bar® assembly systems.

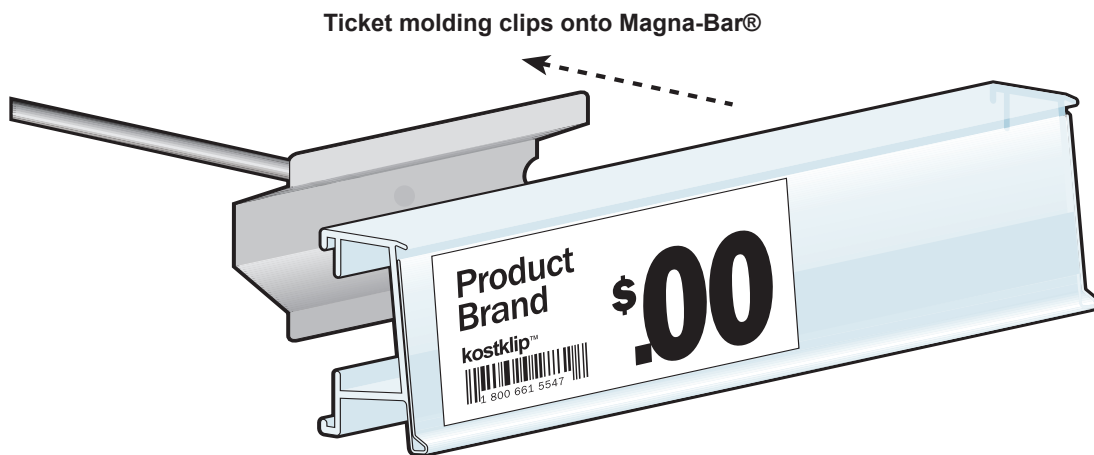

Features

- Clips securely onto standard Magna-Bar® assembly systems
- Suitable for cold and frozen merchandising environments
- Displays, protects and holds 1.25"H tickets securely in position
- Ships complete with ticket molding connectors to join 2 moldings together in a single run. 10 connectors per 25 pack of ticket moldings.

ClearVision® non-adhesive ticket molding advantages:

- Replace expensive adhesive labels with plain paper
- Protect labels from moisture damage
- Quick and easy label changes
- Manufactured with the highest available level of UV protection to minimize premature yellowing and aging of PVC plastics
