

# right angle + flush sign grips

for ClearVision® / windowed ticket molding

9554-102826 - right angle sign holder

50VH-100197 - flush sign holder

## Two products. Two display choices.

This series of sign grips are designed to clip into our standard ClearVision® ticket molding and holds signs at either right angle or flush to the shelf edge.

### Series Features

- Clips firmly onto the front clear window on any ClearVision® ticket molding
- Engineered PowerGrip® sign grip securely holds signs up to 0.095" thick.
- Hinged to flip up the sign to reveal additional information or easy product access and shelf restocking.
- Clear PVC recyclable plastic construction

### 9554 series Features

- 9554RA securely grips signs at right angle to shelf.
- two piece construction

### 50CVH1 series Features

- 50VH securely grips signs in a flush position.
- one piece construction

### ClearVision® non-adhesive ticket molding advantages:

- Clear window effectively displays, protects and holds 1.25"H price labels securely in position
- Replace expensive adhesive labels with plain paper
- Manufactured with the highest available level of UV protection to minimize premature yellowing and aging of PVC plastics
